Elitique

The perfect bathroom.

Il progetto Elitique è una collaborazione d'eccellenza tra due leader nel settore del design e dei materiali innovativi: Falper e Florim. Rivolto ai rivenditori del settore bagno, Elitique si propone di trasformare i negozi del bagno in vere e proprie boutique di lusso. Falper, sinonimo di pregio e lavorazioni di altissimo livello nel mondo del luxury design, unisce le sue competenze con Florim, nota per l'innovazione e la ricerca estetica nella creazione di superfici ceramiche di alta gamma. Questa collaborazione non solo esalta l'eleganza e la raffinatezza dei prodotti offerti, ma crea anche nuovi standard di qualità e stile. Il progetto Elitique nasce con l'obiettivo di creare il primo sistema bagno in legno e gres porcellanato che eccelle in entrambi i materiali.

The Elitique project is an outstanding collaboration between two leaders in the design and innovative materials sectors: Falper and Florim. Aimed at bathroom retailers, Elitique seeks to transform bathroom stores into true luxury boutiques. Falper, synonymous with excellence and top-tier craftsmanship in luxury design, combines its expertise with Florim, renowned for its innovation and aesthetic research in high-end ceramic surfaces. This partnership not only enhances the elegance and sophistication of the products offered but also establishes new standards of quality and style. The Elitique project was created with the aim of developing the first bathroom system in wood and porcelain stoneware that excels in both materials.

Abaco

by Falper | Florim

Abaco è il sistema modulare che rivoluziona il concetto di arredo bagno contemporaneo. Un'unica collezione che combina mobili, lavabi, top integrati, piatti doccia ed elementi freestanding, per dare vita a composizioni su misura pensate per il settore residenziale, contract e hospitality. Grazie al design esclusivo di Falper e all'innovazione nei materiali di Florim, Abaco diventa uno strumento progettuale senza limiti, in grado di offrire soluzioni estetiche e funzionali personalizzate.

Abaco is the modular system that redefines contemporary bathroom design. A single collection that brings together furniture, washbasins, integrated countertops, shower trays, and freestanding elements, creating bespoke compositions for residential, contract, and hospitality projects. Thanks to Falper's distinctive design approach and Florim's cutting-edge material innovation, Abaco becomes a limitless design tool, offering fully customized aesthetic and functional solutions.

Ispirato alle architetture minimaliste degli anni '30, l'ambiente si veste della stessa materia. Pavimenti, rivestimenti e lavabo Radius sono realizzati con la collezione Authentic Luxe, finitura Gold Travertine di Florim. Il mobile a un cassetto 160xH30xP45 è in noce americano, specchio Chiaro e Tondo Ø120, colonne Butler e rubinetteria Cilindro in PVD Ottone by Falper.

Inspired by the minimalist architectures of the 1930s, the space is defined by a cohesive material language. Floors, wall coverings and the Radius washbasin are crafted in Florim's Authentic Luxe collection, Gold Travertine finish. The single-drawer unit 160xH30xD45 is in American walnut, paired with the Chiaro e Tondo Ø120 mirror, Butler columns and Cilindro taps in brass PVD by Falper.

Atmosfera avvolgente
e calore naturale delle
superfici. La luce che
accarezza le pareti infonde
benessere silenzioso.

A cozy atmosphere and
the natural warmth
of materials.

Light gently caressing
the walls creates a quiet
sense of well-being.

Il piatto doccia Zenit, rivestito dalla collezione Authentic Luxe, finitura Gold Travertine di Florim, completa lo spazio bagno con elegante continuità materica, accompagnando il minimalismo dell'insieme con un tocco di raffinata essenzialità. Rubinetteria Cilindro in PVD gold by Falper.

The Zenit shower tray, clad in Florim's Authentic Luxe Gold Travertine collection, completes the bathroom space with an elegant sense of material continuity, enhancing its minimalist language with a touch of refined simplicity. Cilindro taps in gold PVD by Falper.

Il piatto doccia AERA conferisce allo spazio un design minimale senza interruzioni. La collezione Stontech/4.O, finitura Stone_O1 di Florim, veste con continuità tutte le superfici dell'ambiente. Rubinetteria Cilindro in PVD Black e colonne Butler in Noce Brown di Falper completano la scena.

The AERA shower tray defines the space through a seamless minimalist design. The Stontech/4.O collection, in the Stone_O1 finish by Florim, wraps all surfaces in a continuous, cohesive material expression. Cilindro taps in black PVD and Butler columns in Brown Walnut by Falper complete the setting.

Un'atmosfera di lusso
avvolge il master
bathroom, dove i
lavabi freestanding si
distinguono per il loro
tratto scultoreo.

A luxurious atmosphere
envelops the master
bathroom, where the
freestanding washbasins
stand out for their
sculptural character.

Un'atmosfera di lusso avvolge il master bathroom. I lavabi freestanding si distinguono per il loro tratto scultoreo, impreziosito dalla finitura Marble Marquinia di FLORIM stone e il vano a giorno in legno Alpi Striped Black di Falper. Completano l'ambiente la collezione Stontech/4.O, finitura Stone_O1 di Florim a pavimento e rivestimento, lo specchio Circular e la rubinetteria Acquifero in PVD black by Falper.

A luxurious atmosphere envelops the master bathroom. The freestanding washbasins stand out for their sculptural character, enhanced by FLORIM stone's Marble Marquinia finish and the open compartment in Alpi Striped Black wood by Falper. The space is completed by Florim's Stontech/4.O collection in the Stone_O1 finish for floors and wall coverings, the Circular mirror and Acquifero taps in black PVD by Falper.

Rigore estetico e forme essenziali incontrano un'eleganza unica e distintiva. Il mobile componibile a due cassetti H45 P45 L200 nella finitura Alpi Striped Black si abbina al top integrato ARC con la collezione Rêves di Florim, in dialogo materico con i pavimenti e i rivestimenti che completano lo spazio con diverse suggestioni cromatiche.

Clean lines and essential forms meet a distinctive, refined elegance. The modular two-drawer unit H45 D45 W200 in the Alpi Striped Black finish pairs with the integrated ARC top from Florim's Rêves collection, in dialogue with floors and wall coverings that enrich the space with layered chromatic nuances.

Armonia contemporanea:
eleganza materica,
continuità tra superfici, luce
che disegna lo spazio.

Contemporary harmony:
material elegance,
continuity of surfaces, light
shaping the space.

Un bagno definito dalla raffinata combinazione delle calde tonalità di SensiTerre di Florim, declinata in diversi formati, in dialogo con arredi ABACO in noce naturale L200 H30 P45 a doppio cassetto. Completano lo scenario il lavabo Quadra in Gres 100xP45xH12 e le colonne ABACO L30xH180xP20. Rubinetto Falper Acquifero in acciaio inox con specchio circolare retroilluminato.

A bathroom defined by the refined interplay of SensiTerre's warm tones by Florim, expressed across a range of formats, in dialogue with ABACO furnishings in natural walnut L200 H30 D45 with double drawers. The composition is completed by the Quadra washbasin in porcelain stoneware 100xD45xH12 and ABACO columns L30xH180xD20. Falper Acquifero stainless steel tap with backlit circular mirror.

Una doccia con i colori
della terra, superfici
morbide e luminose.
SensiTerre e ABACO
diventano materia che
emoziona ogni giorno.

A shower in earthy tones,
with soft and
luminous surfaces.
SensiTerre and ABACO
become materials
that inspire
everyday experience.

L'elegante composizione è definita dal top scatolato con doppio lavabo Radius nella finitura Marble Brun di FLORIM stone, abbinato al mobile con doppio cassetto in noce naturale L200 H30 P45. Pavimenti e rivestimenti sono realizzati con le collezioni Nature Mood, finitura Tundra e SensiColore – Cammello. Specchio Chiaro e In Forma e rubinetteria Cilindro in acciaio inox, by Falper, completano lo spazio.

The elegant composition is defined by the boxed countertop with double Radius basin in FLORIM stone Marble Brun finish, paired with a double-drawer vanity in natural walnut (W200 H30 D45). Floors and wall coverings are created using the Nature Mood collection in Tundra finish and SensiColore in Cammello. The Chiaro and In Forma mirrors, along with Cilindro stainless steel faucets, by Falper, complete the space.

Atmosfera da boutique hotel con lavabo Forma H3O L120 P45 abbinato a una mensola in noce naturale H7. La collezione Essential Mood di Florim veste lo spazio con morbida matericità e un tocco decorativo. Il piatto doccia termoformato KRÒ di ABACO si integra nell'ambiente, con discrezione e funzionalità. Rubinetteria Falper Acquifero in acciaio con bocca Arco e miscelatore, abbinata a specchi Chiaro e Tondo con finitura inox.

A boutique hotel atmosphere with the Forma washbasin H3O W120 D45 combined with a natural walnut shelf H7. Florim's Essential Mood collection enhances the space with soft materiality and a decorative touch. The thermoformed KRÒ shower tray by ABACO integrates seamlessly into the environment, with discretion and functionality. Falper Acquifero stainless steel tapware with Arco spout and mixer, paired with Chiaro and Tondo mirrors in inox finish.

Le superfici SensiColore
e Rinascenza di Florim
dialogano con le forme
morbide della vasca Cozy
Falper e il rigore del
lavabo Forma.

Florim's SensiColore and
Rinascenza surfaces
dialogue with the soft
lines of the Falper Cozy
bathtub and the rigor of
the Forma washbasin.

Le superfici SensiColore e Rinascenza di Florim e il legno Falper noce bruciato dialogano con le forme morbide della vasca Cozy e il rigore del grande lavabo Forma, per ambienti eleganti e senza tempo. ABACO definisce un nuovo standard materico, in cui ogni elemento trova la sua collocazione naturale. Generose le dimensioni del mobile L240 H30+30 P45. Rubinetteria Falper Cilindro da parete in acciaio inox, con vasca Cozy e specchio rettangolare retroilluminato.

Florim's SensiColore and Rinascenza surfaces and Falper's burnt walnut wood dialogue with the soft lines of the Cozy bathtub and the rigor of the large Forma washbasin, creating elegant, timeless interiors. ABACO defines a new material standard, where every element finds its natural place. Generous dimension for the cabinet measures L240 H30+30 D45. Wall-mounted Falper Cilindro stainless steel tapware, with Cozy bathtub and backlit rectangular mirror.

Minimum

by Falper

La collezione Minimum, ideata da **Victor Vasilev**, si presenta con un'altezza di 25 centimetri nell'ambito del progetto Elitique. Questo design minimalista include lavabi in gres porcellanato da appoggio e basi con apertura push o a gola. La versatilità della collezione permette di scegliere tra tutte le finiture Falper per le basi, mentre i lavabi possono essere realizzati in tutte le finiture Florim, garantendo un'ampia possibilità di personalizzazione.

The Minimum collection, designed by **Victor Vasilev**, is available in a 25 centimeter height as part of the Elitique project. This minimalist design includes countertop porcelain stoneware washbasins and bases with push or groove opening. The versatility of the collection allows for the bases to be finished in any Falper options, while the washbasins can be crafted in all Florim finishes, offering a wide range of customization possibilities.

Un equilibrio calibrato tra essenzialità formale e ricchezza materica, dove ogni elemento contribuisce a un linguaggio progettuale coerente ed elegante. Il mobile componibile H25 in noce brown con top a 45° si integra con il lavabo realizzato con la collezione Coretech Flame Dark di Florim, protagonista discreto ma distintivo della composizione. Cassettiere Minimum H25 by Falper con rubinetteria Acquifero in acciaio inox e specchio circolare retroilluminato.

A balanced interplay between formal restraint and material richness, where each element contributes to a coherent and refined design language. The modular unit H25 in Brown Walnut with a 45° edge top integrates seamlessly with the washbasin crafted in Florim's Coretech Flame Dark collection, a discreet yet distinctive presence within the composition. Minimum H25 drawer units by Falper with Acquifero stainless steel tapware and backlit circular mirror.

Luce e materia incontrano
il calore del legno e i
colori della terra, dando
forma a un equilibrio
raffinato.

Light and material meet
the warmth of wood and
the tones of the earth,
shaping a refined balance.

Luce e materia contribuiscono a un linguaggio progettuale caldo, raffinato e misurato. Il mobile componibile in tre cassetti H25 è in finitura noce naturale di Falper e si sviluppa come elemento orizzontale essenziale. Il lavabo in appoggio è realizzato nella finitura Stone Brown di FLORIM stone, che si integra con naturale coerenza con pavimenti e rivestimenti della collezione Authentic Luxe, finitura Gold Travertine. Rubinetteria Acquifero by Falper con finitura PVD black.

Light and material contribute to a warm, refined and balanced design language. The modular three-drawer unit H25 in Falper's natural walnut finish extends as a clean, horizontal element. The countertop washbasin is crafted in FLORIM stone's Stone Brown finish, integrating seamlessly with the floors and wall coverings from the Authentic Luxe collection in the Gold Travertine finish. Acquifero tapware by Falper in PVD black finish.

Un'estetica essenziale
prende forma attraverso
toni scuri e forme pure.

Luci e ombre
modellano lo spazio.

An essential aesthetic
takes shape through dark
tones and pure forms.

Light and shadow
shape the space.

La composizione esprime un raffinato dialogo tra essenze diverse, dove la ricchezza grafica delle superfici si bilancia con la profondità materica del legno. Il mobile componibile H25 in finitura Alpi Flamed Grey con top a 45° accoglie il lavabo integrato in Marble Capraia Matte di FLORIM stone, dando vita a un insieme continuo ed elegante. Lo specchio a filo lucido amplifica la percezione dello spazio, valorizzando l'equilibrio sofisticato tra materia e funzione. Rubinetteria Acquifero in acciaio inox con specchio retroilluminato a LED e finitura in vetro fumé grigio by Falper.

The composition expresses a refined dialogue between different essences, where the graphic richness of the surfaces is balanced by the material depth of the wood. The modular unit H25 in the Alpi Flamed Grey finish with a 45° edge top integrates the built-in washbasin in FLORIM stone's Marble Capraia Matte, creating a seamless and elegant whole. The flush polished mirror enhances the perception of space, highlighting the sophisticated balance between material and function. Acquifero stainless steel tapware with LED backlit mirror and grey smoked glass finish by Falper.

Spheris

by Florim

La collezione **Spheris**, firmata da **Matteo Nunziati**, si distingue per l'eleganza delle sue forme e i top dalle linee sinuose. Realizzata in legno con un esclusivo rivestimento esterno in gres porcellanato curvato, oppure in legno laccato lucido e opaco, offre un'estetica sofisticata e moderna. La collezione offre soluzioni versatili, con piani lavabo integrati o in appoggio, consentendo di personalizzare lo spazio con uno stile unico, funzionale e un impatto visivo di grande eleganza.

The **Spheris** collection, designed by **Matteo Nunziati**, stands out for its elegant shapes and countertops with sinuous lines. Made of wood with an exclusive external finish in curved porcelain stoneware or in glossy and matte lacquered wood, it offers a sophisticated and modern aesthetic. The collection provides versatile solutions with integrated or countertop washbasins, allowing you to personalize the space with unique style, functionality, and a striking visual impact.

Il lavabo integrato Spheris SO2 con base a due cassetti si inserisce con coerenza in un sistema bagno caldo e accogliente, dove la luce enfatizza la materia. La collezione Formatech nella finitura Forge_O1 di Florim crea una sofisticata continuità visiva tra mobile lavabo e pavimento. La collezione Authentic Luxe, finitura Gold Travertine a rivestimento introduce una texture calda e sofisticata. Rubinetteria Falper Acquifero in acciaio inox con specchio retroilluminato a LED e finitura in vetro fumé grigio.

The Spheris SO2 integrated washbasin with a two-drawer base fits coherently into a warm and welcoming bathroom system, where light enhances the materiality. Florim's Formatech collection in the Forge_O1 finish creates a refined visual continuity between the vanity unit and the flooring. The Authentic Luxe collection in the Gold Travertine finish, used for wall coverings, introduces a warm and sophisticated texture. Falper Acquifero stainless steel tapware with LED backlit mirror and grey smoked glass finish.

Morbidezza delle forme
ed eleganza materica
definiscono uno spazio
raffinato, accogliente
e senza tempo.

Softness of forms and
material elegance define
a refined, welcoming and
timeless space.

Un'estetica essenziale prende forma attraverso linee morbide e pulite. La collezione Crayons di Florim caratterizza il doppio lavabo integrato Spheris SO2 e il pavimento, definendo un insieme coerente e rigoroso. Il rivestimento in Essential Mood Line Cool O3 introduce una texture sottile e contemporanea, che amplifica la verticalità dello spazio. Rubinetteria Falper Acquifero in acciaio inox con specchio retroilluminato a LED e finitura in vetro fumé grigio.

An essential aesthetic takes shape through soft, clean lines. Florim's Crayons collection defines both the Spheris SO2 double integrated washbasin and the flooring, creating a coherent and rigorous whole. The Essential Mood Line Cool O3 wall covering introduces a subtle and contemporary texture, enhancing the verticality of the space. Falper Acquifero stainless steel tapware with LED backlit mirror and grey smoked glass finish.

L'atmosfera raffinata esprime equilibrio tra colore e materia per un linguaggio progettuale essenziale e contemporaneo. Il lavabo Spheris SO2 in questa composizione è realizzato con la collezione Coretech nella finitura Flame Light, che ritorna anche a pavimento, restituendo una percezione coerente dell'insieme. Il rivestimento in Mystic Luxe Titanium introduce una presenza più intensa e avvolgente, valorizzando il dialogo tra le superfici. Rubinetteria Falper Acquifero in acciaio inox con specchio retroilluminato a LED e finitura in vetro fumé grigio.

A refined atmosphere expresses a balance between colour and material, shaping an essential and contemporary design language. In this composition, the Spheris SO2 washbasin is crafted in the Coretech collection in the Flame Light finish, also used for the flooring, resulting in a cohesive perception of the space. The Mystic Luxe Titanium wall covering introduces a more intense and enveloping presence, enhancing the dialogue between surfaces. Falper Acquifero stainless steel tapware with LED backlit mirror and grey smoked glass finish.

Rigore cromatico
e forme arrotondate.
La luce disegna lo spazio
con precisione per un
ambiente essenziale
e contemporaneo.

Chromatic rigor meets
rounded forms.

Light defines the
space with precision
for an essential and
contemporary balance.

Superfici e volumi definiscono un ambiente dal carattere elegante e contemporaneo, dove la materia dialoga con la luce valorizzando ogni dettaglio. Il mobile e il top Spheris SO4 sono rivestiti in Rinascenza Arena Bianco Antico, disegnando una composizione continua e materica. I lavabi da appoggio sono in Cristalplant Bio Active, modello Circolo. Lo specchio retroilluminato, con cornice nella stessa finitura, amplifica la profondità dello spazio e ne esalta l'armonia complessiva. Rubinetteria Cilindro Falper da parete in acciaio inox con finitura PVD oro e miscelatore idroprogressivo, abbinata alla vasca Lancetta by Falper in Cristalplant Bio Active.

Surfaces and volumes define a space with an elegant and contemporary character, where material and light interact to enhance every detail. The Spheris SO4 unit and top, clad in Rinascenza Arena Bianco Antico, create a continuous and material composition. The countertop washbasins are in Cristalplant Bio Active, Circolo model. The backlit mirror, with a frame in the same finish, enhances the depth of the space and its overall harmony. Wall-mounted Falper Cilindro tapware in PVD gold stainless steel with hydroprogressive mixer, paired with the Lancetta bathtub by Falper in Cristalplant Bio Active.

Complements

by Falper

Nelle pagine seguenti è presentata una selezione di complementi Falper pensati per arricchire e completare la gamma Elitique: specchiere di design, colonne Butler in versione speciale con fondo in gres porcellanato Florim, vasche freestanding e due collezioni di rubinetterie in acciaio inox AISI 316L, Acquifero e Cilindro, firmate dal designer Victor Vasilev. Elementi scelti per offrire soluzioni d'arredo bagno di alta qualità, ideali per creare ambienti unici ed eleganti.

The following pages present a selection of Falper complements designed to enrich and complete the Elitique collection: designer mirrors, Butler columns in a special version with Florim porcelain stoneware backing, freestanding bathtubs, and two AISI 316L stainless steel tapware collections—Acquifero and Cilindro—designed by Victor Vasilev. Carefully selected elements to offer high-quality bathroom solutions, ideal for creating unique and elegant spaces.

Colonna in legno, disponibile nelle finiture legno o laccata opaca e lucida, dotata di ante e mensole in vetro. La cornice in alluminio nero conferisce un tocco di eleganza, mentre lo schienale è realizzato in gres con finitura Coretech Flame Dark matte.

Wooden column, available in wood or glossy and matte lacquered finishes, featuring glass doors and shelves. The black aluminum frame adds an elegant touch, while the back panel is made of gres with Coretech Flame Dark matte finish.

Funzione, unicità,
bellezza e tecnologia in
ogni elemento del bagno.

Function, uniqueness,
beauty, and technology in
every bathroom element.

Rubinetteria Falper Acquifero con miscelatore e bocca di erogazione a parete in acciaio inox AISI 316L, abbinata a specchio circolare Falper Chiaro e Tondo con cornice in alluminio finitura ottone e retroilluminazione LED.

Falper Acquifero tapware with mixer and wall-mounted spout in AISI 316L stainless steel, paired with the Falper Chiaro e Tondo circular mirror with aluminium frame in brass finish and LED backlighting.

Prodotti Elitique Elitique products

by Falper | Florim

Piatti doccia | Shower trays
by Florim

Esplora le superfici Florim per il progetto Elitique
Explore Florim surfaces for the Elitique project

florim.com

ELITIQUE.IT

In questa pagina la nuovissima gamma di piatti doccia in gres porcellanato realizzati da Florim. Tre le forme disponibili, con sistemi di scarico e design differenti, i piatti possono essere realizzati su misura e installati a filo pavimento o in appoggio, in continuità con superfici e rivestimenti in gres.

On this page the brand-new range of porcelain stoneware shower trays by Florim. Three shapes are available, with different drainage systems and designs. The trays can be custom-made and installed flush with the floor or laid on top, in seamless continuity with surfaces and porcelain stoneware coverings.

ELITIQUE.IT

La collezione **Minimum**, ideata da **Victor Vasilev**, si presenta con un'altezza di 25 centimetri nell'ambito del progetto Elitique. Questo design minimalista include lavabi in gres porcellanato da appoggio e basi con apertura push o a gola. La versatilità della collezione permette di scegliere tra tutte le finiture Falper per le basi, mentre i lavabi possono essere realizzati in tutte le finiture Florim, garantendo un'ampia possibilità di personalizzazione.

The **Minimum** collection, designed by **Victor Vasilev**, is available in a 25 centimeter height as part of the Elitique project. This minimalist design includes countertop porcelain stoneware washbasins and bases with push or groove opening. The versatility of the collection allows for the bases to be finished in any Falper options, while the washbasins can be crafted in all Florim finishes, offering a wide range of customization possibilities.

Firmato da **Matteo Nunziati**, **Spheris** si distingue per l'eleganza delle sue forme e i top dalle linee sinuose. Può essere realizzato in diverse finiture: legno laccato opaco e lucido (categoria 1–3), legno (categoria 2) e con un esclusivo rivestimento esterno in gres porcellanato curvato*.

Designed by **Matteo Nunziati**, **Spheris** stands out for the elegance of its forms and its countertops defined by soft, flowing lines. It is available in a range of finishes: matte and glossy lacquered wood (categories 1–3), wood (category 2), and with an exclusive external cladding in curved porcelain surfaces*.

Complements

by Falper

Nelle pagine seguenti, troverete una selezione di complementi Falper pensati per arricchire e completare gli spazi espositivi Elitique. Questi includono specchiere di design, colonne Butler nella versione speciale con fondo in gres porcellanato Florim, vasche da bagno freestanding e rubinetterie in acciaio inox Aisi 316L. Questi elementi sono stati selezionati per offrire soluzioni di arredo bagno di alta qualità, perfette per creare ambienti unici ed eleganti.

In the following pages, you will find a selection of Falper complements designed to enhance and complete the Elitique exhibition spaces. These include designer mirrors, Butler columns in a special version with a Florim porcelain stoneware back, freestanding bathtubs, and faucets made of Aisi 316L stainless steel. These elements have been selected to offer high-quality bathroom furnishing solutions, perfect for creating unique and elegant environments.

è composto da tre parti: una
colonna centrale in legno, una
colonna laterale in metallo e
una colonna laterale in metallo.
Le tre parti sono disposte in
una fila, con la colonna
centrale in legno al centro e
le colonne laterali in metallo
ai lati. Le tre parti sono
collegate da una base in
legno.

The column is made of three parts:
a central column in wood, a
side column in metal, and a
side column in metal. The three
parts are arranged in a row, with
the central column in wood in the
middle and the side columns in
metal on the sides. The three
parts are connected by a base in
wood.
